PLATINUM MEMBER PROGRAM

Platinum Membership dues

The annual dues for the Platinum Member Program are EUR 15,000.00 and replace the regular dues as defined by the member company's annual revenue.

Platinum Member Program

Companies participating in the PLATINUM MEMBER PROGRAM are making a special contribution to our association, supporting us to deliver all of our benefits. In exchange the members of the PLATINUM MEMBER PROGRAM receive special recognition for their support at our events, VIP treatment / company exposure / marketing at our events, and in our communications.

Platinum Dinner	At the start of each summer conference, an exclusive dinner will be held for our Platinum members. This is a great opportunity to meet the industry's VIPs in a relaxed atmosphere. Potentially to be organized at all events.
Preferred booking	We will contact Platinum members in advance to offer them the best suites and meeting facilities at the conference.
Presentation of the EMMAs	Each EMMA category will be presented by a dedicated Platinum member, e.g. "The EMMA - Best Innovation is presented by Platinum member company xyz".
Dedicated EMMA Table	Instead of a company having to book a dedicated table at the EMMAs for their guests, Platinum members will automatically have a dedicated and branded table at the event.
Company Profile Webpage	We will create a section on the website to list all Platinum members with a short company profile.
Logo in Conference Program	The printed conference program will include a list of all our Platinum members.
Platinum Attendee Pass	We will add "Platinum member" to the attendee badge.
Platinum Registration Line	VIP registration to pick up the conference / event badges.
Platinum Passes in the room	We will provide Platinum members with their conference passes on arrival in the room/suite.

* According to its statutes, the association's registered name is the Electronic Retailing Association Europe / ERA Europe. It is the understanding of the association to represent the *global* multi-channel home shopping industry. By a board decision, ERA Europe will therefore brand its communication and activities, as far as legally permissible, as **ERA Global** and will initiate the necessary steps to change the registered name accordingly, if so required.

Membership category information

As per Article 5 of the ERA Europe statutes:

5.1 Core member

Can become a core member, subject to approval from the general meeting, any company that directly realizes its revenue from the sale of products and services directly to the end consumer, by means of audio-visual and electronic media.

Any core member, at the time of its affiliation, shall accept without any restriction to comply with the instructions mentioned on the document entitled self-regulation procedure.

5.2 Associated member

Can become an associated member, subject to approval from the general meeting, any company that is associated with or supplying services to companies the activity of which is described under point 5.1. This category of member includes more in particular the vendors and manufacturers of equipment, consultants, telephone service providers, lawyers, website designers, CD ROM producers, data processing service providers, execution and forwarding service providers, post-production vendors, television stations, cable operators, satellite broadcasting companies and other entities interested in growth and commercial success by means of audio-visual and electronic media.

Any associated member, at the time of its affiliation, shall unconditionally accept to comply with the instructions mentioned on the document entitled self-regulation procedure.

5.3 Observer member

Can become an observer member, subject to approval from the general meeting, any person who wishes to help the association or to participate in its activities and who undertakes to comply with the association's articles of association and the decisions made in accordance with these articles of association.

If a candidate member qualifies as a core member on account of its activity, it will not be entitled to become an observer member.

Article 17 of ERA Europe statutes:

The persons participating in the meeting have an equal voting right, each of them holding one vote.

The observer members do not have a voting right. If necessary, they may participate in the meetings with an advisory vote.
